

AI-BASED HEALTH REPORT SUMMARY

Patient Name:	deependra choyal	Date Generated:	June 26, 2026
Age / Gender:	23 / Male	Body Mass Index (BMI):	17.3 (Underweight)

OVERALL HEALTH SCORE: 100/100 (EXCELLENT)

This health score is calculated based on the clinical parameters extracted from your medical report. Points are deducted for any parameters that fall outside the standard reference ranges. Review the breakdown below for specific abnormalities.

LABORATORY BIOMARKERS DETAILED ANALYSIS

Biomarker	Value	Unit	Status	Reference Range
No biomarkers extracted.				

DISEASE RISK ASSESSMENT (AI MODELS)

Our machine learning classifiers evaluate your extracted biomarkers, age, gender, and BMI against standard epidemiologic clinical records to evaluate your baseline risk levels. These estimates reflect statistical probabilities and are not absolute diagnoses.

Predicted Condition	Risk Probability	Risk Classification
Diabetes Mellitus	96.6%	CRITICAL RISK
Cardiovascular (Heart) Disease	97.4%	CRITICAL RISK
Anemia (Iron Deficiency)	0.0%	NORMAL / LOW RISK

TAILORED DIETARY & LIFESTYLE ROADMAP

Dietary Interventions:

- Maintain a balanced diet rich in whole foods, vegetables, fruits, lean proteins, and healthy fats.
- Stay well-hydrated by drinking at least 8-10 glasses of water daily.
- Practice portion control and minimize late-night heavy meals.

Exercise & Fitness Plan:

- Engage in at least 150 minutes of moderate physical activity or 75 minutes of vigorous exercise weekly.
- Include regular stretching and flexibility workouts to improve joint health.

General Wellness & Habits:

- Aim for 7-9 hours of restful sleep every night.
- Practice mindfulness or meditation to manage daily stress.
- Schedule annual comprehensive health check-ups.

IMPORTANT NOTICE: This document is an automated summary generated by artificial intelligence and health prediction models. It is designed solely for educational and informational purposes. This report DOES NOT constitute medical advice. Always seek the advice of your physician or other qualified health provider with any questions regarding a medical condition. Never disregard professional medical advice or delay in seeking it because of something you have read in this summary.
